## WARRANTY INFORMATION

Rigid Industries warrants that this product will be free from defects in material and workmanship. If you believe your Rigid Industries product is defective, it must be returned to Rigid Industries for inspection by our warranty claims department. If, after inspection, Rigid Industries verifies that the defect was not caused by negligence, abuse, unauthorized repair or disassembly, Rigid Industries will determine whether the product will be repaired or replaced in accordance with Rigid Industries Limited Lifetime Warranty*.

Warranty Periods:
- All LED Lights – Limited Lifetime
- Accessories and Mounts – 2 years
- Flashlights – 1 year
- Batteries – 90 days

Warranty Coverage:
To begin your warranty claim, you must have a Return Merchandise Authorization (RMA) number. To get your RMA number, please contact our warranty department by phone at 480-655-0100 ext. 1008, or by filling out the Return Merchandise Authorization Form on our website.

All of the following will immediately void all warranties:
- Customer negligence – The customer has modified the light and/or is not using it for the recommend application.
- Customer abuse – Damage to the light beyond normal wear and tear.
- Repair work done by unauthorized personnel without Rigid Industries' approval.
- If the light has been opened or any screws have been removed.

All warranties are non-transferable. Warranty terms and policies are subject to change without notice.

*For all information regarding the Rigid Industries' Limited Lifetime Warranty please call 855-760-5337 ext. 1008, email warranty@RigidIndustries.com, or visit our warranty page online at rigidindustries.com/about/warranty.

If you are not confident in your mechanical skills, please seek the help of a professional to perform the installation. Please read through all of these instructions and tips before proceeding with the installation. It is strongly recommended that this product be installed by a professional.

**Congratulations on your purchase of Rigid Lights!**

Always disconnect any power sources connected to your vehicle before servicing fuses or electrical systems.

1. The Marine RDS-Series light bar includes a feature where the mounting bolt heads can slide into each side of the light before the mount bushings, and brackets are attached for mounting. Insert mounting brackets onto the light as shown in Figure 1. Secure hardware and mount light onto desired location.

2. Wire the pigtail leads to power source (Black: Negative, Red: Positive). *Note: Be sure to seal the wire connections to prevent electrical issues.*

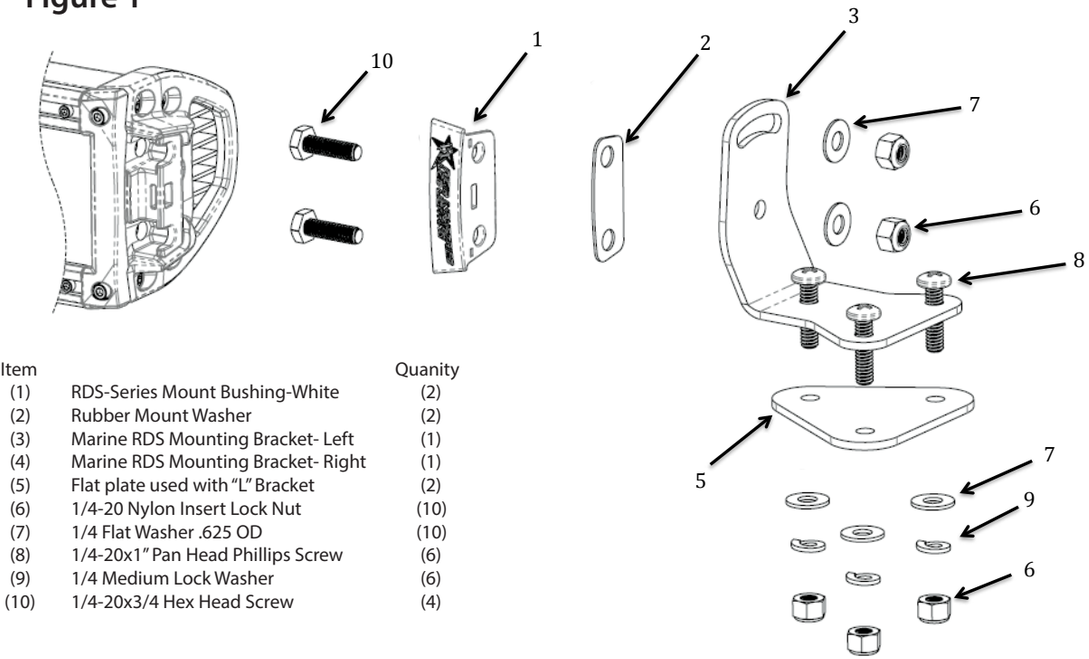

3. Test lights to ensure proper function and secure mounting hardware. Adjust the projection angle prior to tightening all hardware to required torque (50 in-lbs nominal)

**NOTE: Using mounting hardware or wiring other than what is supplied by Rigid Industries can result in damage and possible void of warranty.*

For technical support call us at 855-760-5337.

*Rigid Industries always recommends installation from an industry professional. Be sure to read warranty information on back.
